Anatant H.B.M. s vessel Cock for all mive Rrench men-of-war were as it forencom a foreigner went out abooting on the beach a short way round

the point which is close to Kowleen Docks. The foreigner is a keen sportsman, Yesterday to became so suprosed in taking aim at a must that he taken to percents a lean. Lining at the and long in the sings fell dangerously nost the amopting the besuperits of which at two bookleded the toroign devil was lasting to pot them. At least it appeared so, for these hurriedly rowed towards a Chinese gunbest which was crusing a short distance for They a hailed the publicat with gunbout special quite close into the land. The foreigner became akpened sond took refuge duder i alleltering rock, the only one bear. The Sanport come Decrot Lab spots Acts fired from it. The foreigned became more skeered, but still opwered behind the ruck Much to his relies, however, the ganboat backed out egain, the compander no Houbs, thinking that to make a foreigns retreat was as good as killing thin. The sportsman made tracks for home som sietr. Tribonius bave been received here ochreporating the report we published on Saturday, stating that Keeling was being occupied by the Stepen According to later advices received by calle not only has Keelung been coopied, but Tamsquis also now in possession of the French. The history of the two affairs, on militated by the telegraphic advices restived, ap. pears to be as follows. On the lat instant, at about mid-day

the French tiest arrived at Keelung from the mouth of the Min. The heights round the harbour were in possession of about 10,000 Chinese troops. The sarthworks thrown up by the Chinese were shelled see a short time, and their the Present percented to land about 3,000 troops, the bulk of this force being disambarked from the transports Nice and Torn. The Chinese offered little or no opposition to the French while they were landing but consented themselves with a defence of the heights round the harbour, There was firing for an hour or more sa the Branch proceeded to take possession of the heights, but the Uninese ware driven from their positions, the French loning about 20 killed and The French entranched themselves, o the beights, and on the following day marched a force overland to Tanani. which is on the other side of the Cope, and about 20 miles of time. Reciung The fleet co-operated with the land force by bombarding the forte at Tamett. A very fooble resistance was offered by the Chinese troops. There is a water-way from the immediate neighbourhood of Keeling to Tameni, but it cottleins repids:

THE Douglas Company's steamer Hailoung, Captain F.D. Goddard, one of the steamers boarded by the French off Tamsui, arrived here from Taiwantoo, Amoy and Swatow. this morning. It seems that when toprosching Tamaui on Wednesday, 24th instatit, she was signalled by a French manof war to heave to. This was done, and she was shortly afterwards boarded by an officer and bust's prew from the Chatego Renard. Afterbeing told the Relocations from Hongkong and Amoy, the officer and some of his map, with the amont of Captain Goddards proceeded to search both bolds for contratant goods. They studed them selves with opening on Mays: fully quies. Finding nothing the officer and his men retired, taking Captain Goddard loasand by until a report was made to the Commander of the Chateeu Remine When this has been done, the Holloom was signalled to proceed on her journeys, which she did : It was believed the French expected three-The stealmer Wille, which was lying in Temsui when the Balloous diletel, was subjected to a very rigorous exemitation by a party from the same Brench mill-ofwas. a habitual gambler reaches as from Macao: On Saturday evening, about 8 the risk dan establishments in the Holy Peace. City, went to the house of his father-inlaw, a respectable man in very good circumstances, and demanded \$5,000 from his relative, threatening to shoot the latter if his modest request was not complied with speedily. The father-in-law was naturally very frightened, but endeavoured to shuffle out of his uncomfortable position by promising to provide the money in a few days. Hisson-in-law was inexemble. The money would have to upstumped up at once, or shooting would begin, and, suiting the action to the word, the younger man placed his revolver in close proximity to the brains of his father-in-law. Overcome with four the old man sent for his friend Aluk (a very rich merchant who has been created a knight by the Portuguese Government). Aluk came at the urgent call of his friend, bringing with him 85,000 and handing it to the son-inlaw. The getting of this money seemed only to have whetted the gambler's appetite, for he instantly seized upon-Alrik and demanded another \$5,000 from him, log, assembled in the Recreation Ground. using the same threats to enforce his A picket of Police came upon the ground. demand. Aluk had no money with him, but consented to give a cheque on the Hongkong and Shanghai Bank, which was accordingly done. The gambler, wishing to secure his said retreat, made a further demand on Aink ; he must procure a steam launch for him to go to Hongkong and accompany him outside Portuguese maters, Three men were arrested. after which he could return to Macau. I making this demand, the extertionate villain | Bridges Street on Saturday evening had overreached himself. On the way to get | cars regaled with the pleasant remark Sho the launch Alux had to pass his own house, and as he flid so he made a bult towards it In following him, the gambler fell down and was instantly overpowered by Aluk's chair coolies, who were at their master's door and who heard their master's cry for help. The Police were sent for and the gambler was accested. The revolver was taken from him, but the afterwards at Headquarters this evening. There were produced a disper attic which he mabbed.

THE following passage occurs in the report of the last meeting of the Shanghai Muni cipal Council weether Captain Superintendent is authorized to engage in Hongkon five or air additional Bishe to the came terms as those now employed in marrolling the Bubbling Well-Road, say pay \$15 per after five years service in the Force, and a the subject of the proposed recreation club passage home with the Corps. He said

So days an

was chased by a French orniser, painted black, supposed to be the Chaters Renated She overtook the Welle and sent a boat's I am told the shin's rapers were flemanded and enquiries made as to her cargo, do. Apparently these were not labelectory the vessel was searched. Even ballast tank was examined but it was only found to contain water. A rusty old gun that was on the ship's deck was an object of great curiosity, and the imagination of the Captain of the Wole was surely taxed to satisfy the suspicious and numerous questions of the French Lieutenant. This gentleman was eventually attailed and, before leaving the vessel, applopined most fulsomely for the awkward duty that he had had to perform. It was a God-sene for the Woverley that she had cleared out The Welle had nothing the French could seize, but I hear that the Waterley had-Chinese passengers of coldiers and muni tions of war.

On the same day another British atsamer the 8.8. Hailoong, had to sing small before the French man-of-war. I am not sure whether she was boarded or not by the French Lientenant, but it is ramoured that she had to submit to a visit.

Soon after the Haileong left the French man-of-war took her departure, but two days afterwards another of the same nation's war vessels was sneaking about a few miles above the new fort, and the steamer Fokien, belonging to Mesere. Douglas Lapraik, was stopped by her and a boat's crow sept on board. The Fekien was not long detained, and she was allowed to take up a berth at the anchorage. There were more warlike proceedings the next day, Saturday. A peculiar craft hove

in sight and it was exceedingly difficult to make her out. She looked like a cross between a steamer and a junk, with the British flag flying. She had two masts, and eventually a small funnel came to view abaft the mainmast; and she was supposed to be the Wham from Shanghai. Frenchman to stop, and the cruiser then went off at full speed towards her. The Whach took no notice for some time but eventually she boisted d red flag on the foreton. It seemed like a second ensign ; and the little Whaten looked determined to from the forts. It was like the Lion and from the cruiser and the projectile whizzing over the stern of the Wham caused her To prevent the Chinese Government from | Captain to think that discretion was the better part of valour and he slowed down.
